CORRIGENDUM TO E-TENDER NOTICE

This has reference to e-tender notice no. **Y-18020/6/2019-CAP** published vide tender id **2020_MOSPI_551246_1** dated 09.03.2020 for engagement of media agency for MoSPI and the corrigendum/addendum issued thereafter. On account of the queries received from the prospective bidders the following clarification is made:-

Sr. No.	Query	Reply
a	We come under MSME and our EMD has been exempted on the CPP portal. Even then we need to send offline proof of MSME certificate?	All the requisite documents/proofs (including MSME / Start up certificate) may be uploaded on the CPP Portal.
b	We had submitted the tender on 8th July 2020 and the date of submission has been extended 3-4 times now. Please suggest if we need to update our bid and submit again or shall wait for the evaluation.	<p>As per the corrigendum dated 29.10.2020, (issued for relaxing the eligibility and modifying evaluation criteria for MSEs/Startups) it was mentioned “Since, experience/eligibility conditions are being modified / amended; those firms which submitted their bid earlier shall not be deprived of and may submit their bid again.”</p> <p>Further, as per para 3.8 of the original RFP document dated 09.03.2020 it was stated “All bids will remain valid for 180 days from the date of submission”.</p> <p>In this context it is clarified that all bids submitted in the CPP portal till last date & time of submission of bids (i.e. 18.11.2020 at 11 AM) will be considered as valid, for the purpose of evaluation.</p> <p>However, in case, any bidder wants to re submit /modify</p>

		the bids already submitted, (on account of the corrigendum dated 29.10.2020), they may resubmit their bids in the CPP portal, afresh. However, in such cases, the latest bid submitted by them shall be considered as final, for evaluation purposes.
