

**Policy for disseminating item level data of all-India Index of Industrial Production (IIP) in new series with base 2011-12**

The new series of all-India Index of Industrial Production (IIP) with base 2011-12 has been released in May 2017, consisting of monthly and annual indices at the 2 digit level of National Industrial Classification (NIC), sectoral level (Mining, Manufacturing and Electricity) as well as use-based category wise (Primary goods, Capital goods, Intermediate goods, Infrastructure/ Construction goods, Consumer Durables and Consumer Non-durables).

For users interested in accessing disaggregated data used for compilation of IIP for further study/ analysis, the Central Statistics Office (CSO) makes available monthly item-level IIP data as per the following policy of dissemination:

- I. For Government users: IIP data shall be provided free of cost on receipt of request from interested Ministries/ Departments/ organizations
  
- II. For Non-government individuals/ organizations/ institutions: IIP data may be provided at Rs. 200/- per month. However, in case of dissemination of time series data and item-level data for users of old series who have already paid in advance, the following policy has been adopted:
  - a. Back series data for IIP with base 2011-12 (April 2012 – March 2017) shall be charged a sum of Rs 12000/- (@ Rs 200/- per month X 60 months)
  
  - b. For users who have subscribed for monthly data in advance beyond March 2017 for IIP series with base 2004-05, data for old series till March 2017 (and the subsequent revisions till final estimates of March 2017 for old series in August 2017) as well as data for new series from April 2017 onwards till the end of subscription shall be provided.
