PREFACE

It gives me immense pleasure to present the updated 11th issue of the Civil List for the year 2014 of the Indian Statistical Service (ISS).

The Civil List of the Indian Statistical Service (ISS) is being brought out primarily to provide basic information about the officers of the service. The Indian Statistical Service (ISS) was constituted on November 1, 1961 and presently has strength of 814 sanctioned posts.

Though due care has been taken to avoid any error, some errors might have crept in inadvertently. The errors/ omissions, if any, may be brought to the notice of Deputy Secretary (ISS) to rectify the position. We would welcome suggestions for improvement in future editions.

This Civil List is meant only for use as a ready reference in respect of some basic information about ISS officers and is not related to seniority in any way, although efforts are made to keep it as accurate as possible. Also there are few cases pending related to seniority of the ISS officers and the same may vary subject to the decision of the Hon'ble courts of Law.

I congratulate the officers involved in this endeavour for its compilation. It is hoped that the Civil List 2014 of ISS will be useful to all stakeholders.

(Davendra Verma)

Deputy Director General (Admn. & PI)
